Thanks for such a quick reply. I am at a charter leader symposium on Friday and in a session at that time. Would any of these other times on Friday work for you, James and Ryan?

11-11:30,
11:30-12,
12-12:30,
12:30-1
3:30-4
4-4:30
4:30-5
Of after 5?

If none of these work, then can you send me a 30-minute window that might work for you?

Thank you again Parker!
Allison

Allison,

Happy New Year! Thanks for reaching out and eager to set up a call soon to discuss. How does Friday morning at 10am work for you?

We look forward to engaging quickly on this work.

Thank you

Dear Parker,

I want to reach out to you and Ryan personally to let you know that there are two schools in the ICEF network set to renew next year that are at risk of being below the CCSA initial filters. The two schools are View Park Preparatory Accelerated and ICEF Inglewood Middle School. Typically, I would reach out to the individual school principals first but I want to make sure we can maximize the time we have between now and the 2017-18 performance scores to talk about alternate data gathering well in advance of a potential July 2018 Multiple Measure Review for each school.

It is with a heavy heart that I send this email as I know you have recently made a very difficult decision to close Lou Dantzler and closing a school is both time intensive and emotion intensive work. I feel that we may have lost some of our time to engage with the previous two schools by not meeting directly with you and Ryan on the front end of the discussion. I want to do that in this case to support setting the conditions for the most positive outcome for both schools in the event they end up being below the initial filters.

You will find the school's current [Academic Accountability Report](#) here and I will also discuss proposed changes to the CCSA Initial Filters that will likely be forthcoming and how it is both schools could be at risk of being below initial filters as we move to these metrics for the coming year.

Could you please respond to this email and let me know when might be a convenient time after January 2nd to have a 30- minute phone conference so we may begin to discuss both school's performance on the CCSA Accountability Framework and the July 2018 Multiple Measure Review (MMR)

that will be required for the school's to qualify for CCSA's advocacy support in the event they are below initial filters?

Wishing you and the ICEF learning communities a happy new year ahead and I look forward to working with you soon to ensure complete communication and to provide you school leadership support toward positive renewals.

Warmest regards,
Allison
